Cablecraft Assemblers

Cable assemblers stock original Cablecraft components for immediate assembly of control cables to meet your requirements. No other mechanical control system offers the versatility in routing, efficiency and dependability, and performance in extreme conditions. Linking linear motion and control to the most exacting standards.

**Push Pull Applications**
- Throttles
- Latches
- Hitches
- Chokes
- Shifters
- Valves
- Power Take Offs
- Modulators
- Brake Systems

**Types**
- General Industrial
- Utility (Armor Wrapped)
- Marine Max (Stainless Core)
- Low Friction
- HPC (150° C)

**Pull-Only Applications**
- Throttles
- Clutches
- Latches
- Dumps
- Modulators
- Brake Systems
